Re: People's Temple

Dear Bruce:

I enclose copies of the Court's Order Assuming Jurisdiction Of Winding Up Of People's Temple and the Minute Order appointing Robert Fabian, Esq., the Receiver of People's Temple.

As we discussed over the telephone on January 30, 1979, the Court has ordered the Emergency Relief Committee to formulate and submit to the Court not later than February 26, 1969, a plan for the transportation and interment, or other suitable disposition, of the bodies of those who died in Jonestown, Guyana. (See ¶5 of the Order). It does us no good to formulate a plan for this purpose and obtain court approval, only to be told later by the Department of State that the plan is deficient because it fails to address key issues of concern to your Department.

I have urged representatives of your Department and the Department of Justice to cooperate with our office and the Superior Court in our attempts to quickly resolve this issue. To date we have received no response. Bruce, I hope that someone from your office at least can tell us

what you need in the plan that is now being worked out by the Committee. Let me know in writing some of the language you would like to see in this thing.

Best regards,

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA

IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO

PEOPLE'S TEMPLE OF THE DISCIPLES OF CHRIST, Petitioner, v. THE ATTORNEY GENERAL OF THE STATE OF CALIFORNIA, Respondent.	NO. 746571 AMENDED PETITION FOR JUDICIAL SUPERVISION OF WINDING UP THE AFFAIRS OF PEOPLE'S TEMPLE, A CALIFORNIA NON-PROFIT CHARITABLE CORPORATION, AND THE DISTRIBUTION OF ITS ASSETS. [CORPORATIONS CODE §§ 1904 and 9801 AND FORMER § 4607]

COMES NOW PEOPLE'S TEMPLE OF THE DISCIPLES OF CHRIST, a California non-profit charitable corporation (hereinafter called the "petitioner"), and hereby petitions the above-entitled Court to take supervision over the voluntary winding up and dissolution of People's Temple of the Disciples of Christ, a California non-profit charitable corporation, and to make such orders and adjudge such matters concerning the winding up of the affairs of said corporation as may appear to the court necessary or desirable. In support of this petition, the petitioner alleges as follows:

1. This petition is pursuant to the provisions of sections 1904 and 9801 and former § 4607 of the Corporations Code.

2. EVELLE J. YOUNGER is the legally constituted Attorney General of the State of California and as such is charged with the general supervision of all charitable organizations within this State and with trust enforcement supervision over trustees and fiduciaries who hold or control property in trust for charitable and eleemosynary purposes. The Attorney General is a required party in any proceeding authorized pursuant to section 9801 of the California Corporations Code.

3. PEOPLE'S TEMPLE OF THE DISCIPLES OF CHRIST ("People's Temple" or "Corporation") is a California non-profit corporation created and existing under the California general non-profit corporation law, and has its principal place of business in the City and County of San Francisco.

4. People's Temple holds all of its assets and funds in trust for charitable purposes, its primary purpose being "to further the Kingdom of God by spreading the Word" and is exempt from taxation under section 23701(d) of the California Revenue and Taxation Code and section 501(c)(3) of the Internal Revenue Code of the United States. Copies of the Articles of Incorporation and all amendments thereto have been attached as Exhibit A to the original petition filed on December 4, 1978, in this proceeding.

5. PEOPLE'S TEMPLE is in the process of voluntarily winding up its affairs as evidence by the fact that on December

SAN FRANCISCO, CALIFORNIA 94102
TEL: 864-3131

19, 1978 there was filed with the Office of the Secretary of State of California, a certificate stating that said corporation has elected to wind up its affairs and voluntarily dissolve. A copy of said certificate, certified by the Secretary of State of California, is attached to this petition as "Exhibit B" and by this reference is made a part hereof.

6. Court supervision over the process of the winding up and dissolution of said corporation is necessary and desirable by reason of the following facts:

(a) A substantial number of the Corporation's members died in the Jonestown tragedy on or about November 18, 1978. Because of these deaths, it is impossible for the Corporation to continue to operate as a church.

(b) The process of winding up and dissolving the Corporation will likely be long, procedurally complex and contentious. The assets of the Corporation are largely unknown to the existing directors. Statements in the press indicate that substantial corporate assets exist in the form of bank accounts in at least Panama, Switzerland and Rumania. The Corporation's potential liability from the potential claims of known

///

///

///

SAN FRANCISCO, CALIFORNIA 94102
TEL: 864-3131

and contingent creditors may be substantial.

(c) In addition the Corporation as of the date of the filing of this Amended Petition is a named party in four lawsuits, a list and description of which is given in "Exhibit C" which is attached to this petition. The Corporation's potential liability from three of the four pending lawsuits, if they proceed to judgment against the Corporation, could be substantial. Furthermore, one of the directors, Jean Brown, is named co-defendant in a suit (action #739907 in this Court) against the Corporation. Another co-defendant appears to be related to a director, and a director is a co-plaintiff with the Corporation in action no. 740531 in this Court. The fact that directors are named may create irreconcilable conflicts of interest.

(d) The Corporation's directors and Charles R. Garry of Garry, Dreyfus, McTernan, Brotsky, Herndon & Pesonen, Inc., which has represented the Corporation as well as a number of its directors, officers, and members, may be called as witnesses in pending grand jury investigations into the death of Congressman Leo Ryan and into the deaths at Jonestown. They may also be called as witnesses in criminal proceedings, if any, arising out of the said investigations and as witnesses in pending and future, if any, civil actions by and against the Corporation.

SAN FRANCISCO, CALIFORNIA 94102
TEL: 864-3131

(e) Substantial disputes will arise as to who is entitled to the distribution of the Corporation's assets remaining on dissolution.

7. The facts alleged in paragraph 6 make it impractical for the Corporation to proceed to an orderly and expeditious winding up and dissolution of its affairs absent court supervision thereof. In addition, it appears from these allegations that the court should take jurisdiction over the winding up and dissolution of People's Temple in order to protect the interests of the People of the State of California as the ultimate charitable beneficiaries of the assets of People's Temple.

WHEREFORE, petitioners pray as follows:

1. That the Court give and make its order to persons interested in People's Temple, as creditors, trustees, constructive trustees or any other manner, as the Court deems proper, requiring them to appear before the Court at the time and place appointed, then and there to show cause why the Court should not make orders, and adjudge as to any and all matters concerning the winding up and dissolution of People's Temple including all matters set forth and permitted in section 1904 and former section 4607 of the Corporations Code.

2. That the Court give and make its order prescribing what notice shall be given to such persons interested in People's Temple as creditors, trustees, constructive trustees or in any other manner.

///

SAN FRANCISCO, CALIFORNIA 94102
TEL: 864-3131

3. That on the hearing of the order to show cause this Court give and make its order and decree that it has assumed jurisdiction over the winding up of the affairs of People's Temple, including all matters contained in section 1904 and former section 4607 of the Corporations Code; including an order for the filing of claims by creditors within such time and at such place and in such manner as the Court shall direct.

4. That the Court order that any and all charitable organizations, exempt from taxation under section 501(c)(3) of the Internal Revenue Code, which desire to be named as distributees of the assets of People's Temple, pursuant to the winding up and dissolution of People's Temple under Corporations Code §§ 1904 and former § 4608 1807 /shall file with the Court and with the Office of the California Attorney General - Charitable Trust Unit, on or before April 30, 1979 a written proposal for maintenance, operation and utilization of People's Temple assets as in a manner consistent with the terms of the trust. That all said organizations shall, in addition, file a current financial statement, signed and verified by an officer, director, or trustee of the organization under penalty of perjury, demonstrating the financial ability of said organization to carry out its proposed plan of operation. Failure of any organization to hold a 501(c)(3) exemption and/or to file the above-required proposal and financial statement shall preclude any distribution of People's Temple assets to said organization.

///

SAN FRANCISCO, CALIFORNIA
TEL: 864-3131

5. That the Court authorize the Office of the California Attorney General to investigate and audit, to the full extent deemed necessary by the Office of the California Attorney General, all organizations, including the directors, officers and members thereof, applying for distribution of any People's Temple assets attendant to this proceeding.
